

DECORATE A MAPLE LEAF

AS part of the 'All in the Mind' project being run by heads Together at Lynfield Mount hospital we are undertaking some ... interior design.

For part of the design we want to make lots of different vinyl stickers of maple leaves for the walls. We would like your maple leaf to be part of the display. Using whatever medium & colour you want could you decorate the leaf on this page and return your artwork to Heads Together by 15th December 2011.
... THANK YOU ...
